Home Sweet Home!

Homing numbers continue to increase month on month as more Homing Pages are added. Going on the number of homings notified to us as being as a direct result of appearing on Cat Chat we estimate homing numbers to be between 350 and 400 cats per month – so over 4,000 cats per year!

RSPCA Altrincham report 6 cats homed from their Cat Chat page in one week! PIZZA (top), LASAGNE, CHIPS, ALLY, TREACLE (bottom) and BELLA - Dear Friends at Catchat, What a month! I can't believe how quickly our cats are finding new homes at the moment, it's absolutely brilliant. In the last week through Catchat we have rehomed Pizza, Lasagne, Chips, Ally, Treacle, and Bella. What would we do without you! Thankyou from all at Oak Tree Farm and all our loved-up pussycats. RSPCA ALTRINCHAM.

KATIE – had been at RSPCA Stapeley Grange for some months but just a day after being added to the Top Cats page, she was reserved by a lovely family. She will now be enjoying the love and company of a family and all the attention and play time she can cope with.

Breaking News!

Royal Canin have just confirmed that they will continue as site sponsors on the Homepage for 2007. This is fantastic news, and we look forward to starting a New Year with them once again as site sponsors. *Thanks again **Royal Canin!***

Reigning Cats & Dogs.

The best Cat and Dog sites (Catchat.org and Dogpages.org.uk of course!) have come together in a joint success with a rehome!

DIESEL (yes he is a dog!) - Hi Guys, Well we did it! Diesel the luscious Husky has now been rehomed. He was posted on CatChat & on DogPages. Although the new parents saw him on the dogpages forum first, when they did an internet search for Castaways and saw Diesel our CatChat homing page. That decided it for them and they contacted us - so by default, I'd say that gets you a Husky on your roll of honour! He has gone to a lovely family and I've already heard that he is settling well, so we couldn't be happier for him! **CASTAWAYS WILDLIFE & SMALL ANIMAL RESCUE**.

12 year old Senior Kittizen

BONITA - Fantastic news! 12 year old Bonita has found a lovely new home and all because of you lot at Cat Chat! Her new mum spotted her there and couldn't pass up the opportunity to give her a warm and comfortable home for the rest of her life. It's great to be able to rehome such an old cat, Bonita had arrived at Westways in an horrendous state, malnourished, matted (to the point where she needed to be shaved) and full of flu catflu and ear polyps. Now she is on the road to full health with lots of comfy sleeping places awaiting her, and is going to live with 5 other cats. "Thank you so much, Cat Chat - we owe you big time!" **WESTWAYS VETS.**

Dedicated to You

We have finally moved the site over to a dedicated web server for the first time, which will allow us more flexibility and scope to expand, allowing us to include more homing pages and include special sections for the harder to home cats. Also, faster access speeds to the homing pages on site, so better for the public and rescues.

Catchat.org is one in a PetMillion.

Cat Chat is one of the featured Charities on Petmillions, a website that allows you to show off your pets and also help support featured charities such as Catchat.org. Other charities include the WSPA, the Mayhew Animal Home and PDSA. More details can be found on www.petmillions.com
